

Grade 1 Agriculture Science Project Letter Term 3 2019

Dear Parents/Guardians,

This term's theme is My Country: The Culture and in Agricultural Science we focus on Agricultural Folklore Practices. Your child will investigate **one** agricultural folklore practice that our ancestors used on **either** plants **or** animals. The project should include:

- The folklore practice
- Why it was done
- If it worked or not

The project will also be used as the theme book contribution and should follow the following guidelines:

- Must be done on 2 pages (one-sided letter size)
- Include pictures
- Can conduct interviews with relatives or members of the community to get information. Or use pages 80-81 in workbook.

| Folklore Project | Mark | Your Mark |
|------------------------------------|-----------|-----------|
| Content | 10 | |
| Pictures | 5 | |
| On time | 2 | |
| Presentation and creativity | 3 | |
| Total: | 20 | |

This project is due: Thursday 6th June, 2019

Kind Regards,

Grade 1 Agriculture Science Teachers

Parents, please read, sign, cut off and return the note below

I have seen the letter above and will ensure that my child

_____ will complete the Agri-Science project on folklore practices on time.

_____ Parent's name

_____ Parent's signature

Name: _____ **Grade 1** _____
