

Grade 1 Science Project Term 3 2019

22/09/19

Dear Parents,

This term in Science we are learning about the daily cycle. Your child is required to create an activity log of one days activity . This project is worth 15 marks and will also be used in the theme book. You can use page 70 in the Science book for guidance.

- **You are required: To do this project on a piece of construction paper Letter size (no bigger please)**
 - Draw 3 blocks (1 block for morning, one for afternoon, one for night)
 - Choose one day in the week
 - In each block your child needs to draw and colour or stick a picture showing what they do at that time. Underneath the picture write a short explanation of the picture.
 - At the back must have your name, class and Science
 - At the top must have e.g. Lara's Monday Activity
- Please follow the rubric to ensure your child gets full marks

Project is due: Wednesday 29th May, 2019
