

Grade 1 Social Studies Lesson Plan Term 3 2019

Dear Parents,

This term in Social Studies and Agriculture Science we will be learning about our ancestors. Your child is required to create a family tree up to the second generations. This project is worth 25 marks and will also be used in the theme book. You can use page 72 in the Social Studies book for guidance.

- **You are required: To do this project on a piece of construction paper Letter size (no bigger please)**
- Draw and colour a tree
- On the tree you are to have both sets of grandparents
- Both parents
- Siblings if any and yourself
- Decorate your border
- At the back must have your name, class and Social Studies
- At the top must have your Family Name e.g. The Gonsalves Family Tree

Please follow the rubric to ensure your child gets full marks

Project is due: Monday 27th May, 2019
